

## Timetable Info in School Data Analyser

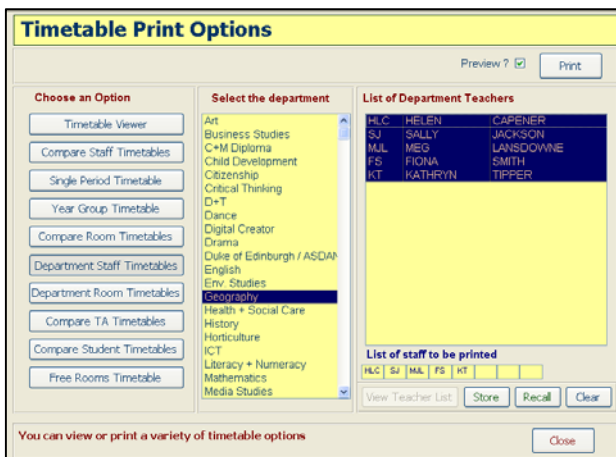

1. A wide range of timetable info can easily be obtained and printed from School Data Analyser. Click on **Staff & Timetable Info** then **Timetable Print Options**

The **Timetable Print Options** screen features the ability to print:

- up to 8 teacher timetables on the same page in **Compare Staff Timetables**. These can be saved for future use using the **Store & Recall** buttons.
- **Single Period Timetables** showing all lessons for one or more selected period(s).
- up to 8 room timetables on same page in **Compare Room Timetables**. These can also be saved for future use
- **Year Group Timetables**
- **Department Staff Timetables**
- **Department Room Timetables**
- up to 8 TA timetables on same page in **Compare TA Timetables**
- up to 8 student timetables on same page in **Compare Student Timetables**
- **Free Room Timetables**

For example:

		Department Timetable : Geography

## 2. Class & Tutor Group Size Info

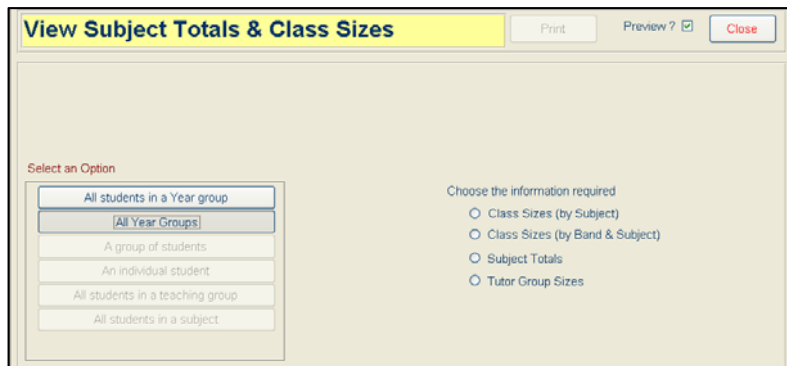

This is mainly intended for use by HODs / HOYs when considering set changes or tutor group changes and for LT during admission meetings.

Click on **Staff & Timetable Info** then **Subject Totals & Class Sizes**

4 different options are available from the next screen:

- Class sizes by subject e.g. History groups in year 10
- Class sizes by timetable band & subject e.g. History groups in 10D, English sets in 8N
- Subject totals e.g. each subject in Year 11
- Tutor group sizes (male/female/total students) for each tutor group

For example:

Year	T.G.	Tutor 1	Tutor 2	Room	Boys	Girls	Total
7	BC	BP		M28	16	12	28
	EN	TPB		T07	16	14	30
